

FACT SHEET

BETHANY ECUADOR MISSION TRIP 2021

Dates: July 30 to August 7 2021

Trip redefined: Due to Covid, we are expecting to have a smaller team this time, consisting of a medical team, helpers, and others interested in VBS or other ministries. You must be 18 or older, healthy and strong for a vigorous schedule. At this time, the request is to return to Quevedo or go to Archidona. We will purchase airplane tickets that are refundable, as there will be no guarantees on this trip. We will be continually monitoring the safety and wisdom of the trip and will cancel if need be.

Note: The Delps welcome workers for a longer period of time to come and do construction, medical work, etc.

Partners: Esther Moreira, MERGE trip facilitator from the Covenant church  
The Covenant church in Sangolqui, Ecuador, Pastor Guamin  
Joel and Kim Delp – Covenant Medical Missionaries

Finances: Grossly estimated at \$1600

Note that this year there will be no group fundraisers at church. Individuals are largely on their own for paying for the trip. There are other options for raising money, however, which we are supporting. We recommend letter writing campaigns which are often very successful.

Dates ahead:

October 15	7:00	Informational session on zoom, start application process
November 15		Mission trip applications due Ecuador leadership team review applicants to approve
December 15		Announce team. Zoom meeting
January 15, 202		Deposit due – (the cost of the flight)
Monthly meetings to follow to plan and prepare for trip		

We realize that this trip is not for everyone! Bethany hopes to offer a SUMMER OF SERVICE with many options to serve locally, in our state, and across the world. If you desire to serve, we will find the right location for you.
