BCC Youth Ministry - COVID19 Gathering Protocols (Signatures Required)

Community is vital to our youth ministry! God is personal, so we can know God better through our personal relationship with Him and with each other. As of the writing of this document, we intend to gather with the following protocols in place. Please note that these are subject to change. We will remain responsive to changes in state guidelines and the pandemic's effects in our area.

COVID-19 Protocols for In-Person Youth Ministry Gatherings:

- Masks will be worn by everyone regardless of vaccination status when indoors
- Students who are sick will kindly stay home until they are feeling better

Signing this document indicates that you have read this document and gone over the protocols with your child. Like at school, students cannot participate in youth ministry activities without signing the form and abiding by the protocols. Thank you so much for your cooperation!

I have read, understand, and will abide by the above protocols so that we can all have fun safely together!
